FROM: Aaron S. Reeves, City Administrator

SUBJECT: Fire Department Trailer Sale

DATE: August 20, 2013

BACKGROUND

The Fire Department has in the past had two wave runners donated each year from Yamaha for water rescue. With their new boat they no longer use wave runners and Yamaha has offered to buy back their trailer for \$1,000. The trailers original price was \$1,200. The Fire Department is requesting to be able to sell the trailer back to the dealer for \$1,000.

STAFF RECOMMENDATION

Staff recommends declaring the wave runner trailer as excess property and authorizing its sale to Yamaha for \$1,000.

REQUESTED COUNCIL ACTION

I respectfully request a motion declaring the wave runner trailer as excess property and authorizing its sale to Yamaha for \$1,000.
