

MEMORANDUM

TO: MAYOR AND CITY COUNCIL

FROM: Tom Bergeson, Director of Public Works

SUBJECT: Purchase of Playground Structures

DATE: October 15, 2013

BACKGROUND

I received information that there was a 45% grant available on certain structures that MN/WI Playground sold. If approved, we plan to put these playgrounds in Trollhaven Park and Evergreen Park. The original cost of both structures combined is \$82,439.00, because of the grant we would only be paying \$51,378.32 (this including tax and freight). It will be paid out of the park dedication fund. The Public Works Commission has reviewed and recommends the purchase of the playground structures.

REQUESTED COUNCIL ACTION

Motion to approve the purchase of the Playground Structures from MN/WI Playground.
