

# **MEMORANDUM**

**TO: MAYOR AND CITY COUNCIL**

**FROM: Tom Bergeson, Director of Public Works**

**SUBJECT: Purchase of a 2014 Ford F450, Dump Box and Plow**

**DATE: January 21, 2014**

## **BACKGROUND**

We are currently using a 2000 Chevrolet dump truck that requires monthly maintenance in order to get us by. The purchase of this new dump truck was scheduled for purchase in 2010, and because of budget cuts we were unable to purchase at that time. A quote was received from Zumbrota Ford for the truck in the amount of \$38,520 and another quote for the stainless dump box and plow from Crysteel for \$15,150 for a combined total of \$53,670. The purchase has been included in the Public Works CIP fund for this year.

## **REQUESTED COUNCIL ACTION**

Motion to approve the purchase of the 2014 Ford F450 from Zumbrota Ford in Zumbrota, MN and the stainless dump box and plow from Crysteel in Lake Crystal, MN.
