SUBJECT: Street Rename Ordinance

DATE: March 14, 2014

BACKGROUND

UPDATED INFORMATION

As explained at the last City Council meeting the City Attorney advised that the renaming of the streets required an Ordinance. I have worked with the City Attorney's Office in creating the attached Ordinance. I will be preparing maps that are specific to each exhibit referenced in the Ordinance, they will be with the Ordinance by the Council Meeting, but are not different than what was included in the material provided at the Last City Council Meeting.

Once the Ordinance has been approved and is effective I will be working with the Post Office, Goodhue County Assessor and Public Works to implement the renaming. Then letters will be sent to the residents and business informing them of their new address.

STAFF RECOMMENDATION

I request that the City Council approve the Ordinance to rename the streets.

REQUESTED COUNCIL ACTION

Request a motion and approval of the Ordinance to rename the streets.
