

**TO:** Mayor Robinson and City Council

**FROM:** Jeffrey L. McCormick, Chief of Police

**SUBJECT:** Reserve Program

**DATE:** April 28, 2014

**BACKGROUND**

Officer Jill Ekstrom, our Reserve Coordinator has advised following person has passed the selection process. At this time I am submitting the following persons to be added to the Reserve Program roster.

Shane Roper

This will bring our reserve roster to a total of seven members, of which a couple have not been active, so Officer Ekstrom will be working to determine if they still have an interest in being part of the program. The program is still at a low level and Officer Ekstrom is actively trying to increase the number of members, as the reserves provide a valuable support role to the police department and service to our community.

**STAFF RECOMMENDATION**

Approve the additional person be added to the Reserve Program.

**REQUESTED COUNCIL ACTION**

Motion and Approval the above listed person to be added to the Reserve Program.
