

TO: Mayor and City Council

FROM: City Administrator Ron Johnson

SUBJECT: Administrative Clarification RE: 3rd St/Cannon Improvement Project

DATE: July 30, 2014

BACKGROUND

This project was discussed and, in essence, approved at the July 1 meeting with adoption of Resolution 2083, a Resolution Adopting the Public Improvement and Special Assessment Agreement. However, it was overlooked to formally request approval of the bid itself.

Aslakson's Blacktopping submitted the lowest responsible bid of \$58,896.10. A MN DEED grant will pay for \$15,000 of the project and the assessment agreement with Patricia Greene/Raw Bistro set an assessment of \$10,800.

REQUESTED COUNCIL ACTION

Motion to award the bid for the 3rd and Cannon Street Improvements Project to Aslakson's Blacktopping for \$58,896.10 and authorize execution of related agreements.
