

TO: Mayor Robinson and City Council

FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: Reserve Officer Additions

DATE: August 27, 2015

BACKGROUND

Officer Jill Ekstrom, our Reserve Coordinator has advised following persons has passed the selection process. At this time I am submitting the following persons to be added to the Reserve Officer Program roster.

Dustin Vanderbeek

Thomas Rambolt

This will bring our reserve roster to a total of seven members. The program is still at a low level and we would like to have between ten and twelve members. Officer Ekstrom is actively trying to increase the number of members.

The Police Reserves volunteer their time to provide additional non-sworn staffing to the Police Department for a variety of activities including events like races, parades and the fair. They also can be utilized in non-enforcement patrols, like checking the parks, schools and other areas where activities are occurring. We have a Reserve vehicle that they use during these activities and provide them with the uniform and equipment they use since they provide such a valuable support role to the police department and service to our community.

STAFF RECOMMENDATION

Approve the additional persons be added to the Reserve Program.

REQUESTED COUNCIL ACTION

Motion and Approval the above listed persons to be added to the Reserve Program.
