

MEMORANDUM

TO: MAYOR AND CITY COUNCIL

FROM: Tom Bergeson, Director of Public Works

SUBJECT: Waste Water Generator Repairs

DATE: September 15, 2015

BACKGROUND

At the September 1 Public Works Commission, there was discussion about the repairs that need to be done to the waste water generator. To make the repairs, the generator needs to be removed with a crane and a rented portable generator will replace it for the time being. Repairs include, replacing the rear main seal and the wear ring. A quote was received for the repairs from Interstate Power Systems in Minneapolis in the amount of \$15,152.85.

REQUESTED COUNCIL ACTION

Motion to approve repairs to the generator by Interstate Power Systems in Minneapolis as recommended by the Public Works Commission.
