

**TO: Honorable Mayor and City Council**

**FROM: City Administrator Ron Johnson**

**SUBJECT: Approve Expense for Reinstallation of TH52 Welcome Sign**

**DATE: October 14, 2015**

**BACKGROUND**

The TH 52 Cannon Falls Welcome Sign located south of Cannon Falls was removed prior to construction of the MnDOT interchange project. A new location has been determined.

Public Works Director Bergeson has received estimates totaling approximately \$20,000 that includes the necessary concrete/footings-related work from Hancock and Mike Daniels and costs related to lighting the sign. S.M. Hentges will move and place the sign at their expense.

It appears that the work can still be done this fall if everything falls into place- including necessary MnDOT approvals. Staff would like approval to proceed with the project at an approximate cost of \$20,000 and to make application for necessary permits/approvals.

**REQUESTED COUNCIL ACTION**

Approve the reinstallation of the TH52 Cannon Falls Welcome Sign at an approximate cost of \$20,000 and the application for necessary permits/approvals.
