

TO: Honorable Mayor and City Council
FROM: City Administrator Ron Johnson
SUBJECT: Department Head Presentations
DATE: 11/2/15

BACKGROUND

During the next two regular Council meetings, our department heads will be providing an overview of the activities/responsibilities within their respective departments. We are hoping that this will be informational to the public and a great reminder of the variety of services provided by our local government team.

Our public safety departments will be providing their information during the 11/5 Council meeting and library, EDA, public works and administration are slated for the 11/17 meeting.
