FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: Police Officer Badge Pinning

DATE: August 29, 2016

BACKGROUND

The hiring process for our newest officer has finished and Officer Mitch Althoff has started working, as was approved at the June 7, 2016 Council Meeting.

At the September 6, 2016 meeting we will the badge pinning ceremony, which will include the administration of the Oath by the Mayor, followed by the pinning of formal pinning on of Mitch's badge. I feel that this provides a great way to welcome Mitch back to the City and community as one of our police officers.
