

TO: Honorable Mayor and City Council

FROM: City Administrator Ron Johnson

SUBJECT: Discuss Re-establishment of Park Board

DATE: January 12, 2017

BACKGROUND

Council Member McCusker expressed an interest in having the City Council re-establish a park board. Council Member McCusker met with Mayor Robinson, Public Works Director Bergeson and City Administrator Johnson to discuss this possibility.

The Board would be seen as a planning board potentially meeting quarterly or on an as-needed basis. The Board could conduct planning exercises for all of the city parks, including the ball fields, and plan for the future of the swimming pool.

It was decided to bring this forward for Council discussion.

REQUESTED COUNCIL ACTION

Discuss the potential re-establishment of a park board.
