SUBJECT: Conduct 2nd Reading of Ordinance Approving Mediacom Minnesota LLC's Cable Franchise Application and Agreement; Adopt Ordinance; Approve Summary Publication of Ordinance

DATE: March 30, 2017

BACKGROUND

At its February 21, 2017 regular meeting, City Council approved an ordinance granting a franchise to Hiawatha Broadband Communications, Inc. to construct, operate, and maintain a cable communications in the city.

Mediacom's franchise was extended to the end of 2015 and not extended further. Mediacom has continued to operate presumably on the legal theory that franchise rights remain until either the company's renewal request is denied or a new franchise is issued.

Mediacom submitted a final proposal, and Bob Vose, Kennedy Graven Chartered, was present at the 2/7 Council meeting to discuss the final proposal from Mediacom.

After much discussion, City Council approved moving forward with the Mediacom franchise agreement and conducted the first reading of the ordinance at the March 21, 2017 meeting.

Attorney Vose will be present to field any questions or concerns.

The pro rata share shall be computed on the basis of the published charge for each service in the bundled or combined classes of services when purchased separately.

4. Reports and Maps to be Filed with City.
- a. Grantee shall file with the City, at the time or payment of the franchise fee, a report of all Gross Revenues in accordance with Exhibit C.

- b. Topics which may be discussed at any evaluation session may include, but are not limited to, application of new technologies, System performance, programming offered, access channels, facilities and support, municipal uses of cable, Subscriber rates, customer complaints, amendments to this Franchise, judicial rulings, FCC rulings, line extension policies and any other topics City deems relevant.

The rights reserved by City with respect to the bond are in addition to all other rights City may have under the Franchise or any other law. City may, from year to year, in its sole

discretion, reduce the amount of the bond.

- b. The time for Grantee to correct any violation or liability; shall be extended by City if the necessary action to correct such violation or liability is, in the sole determination of City, of such a nature or character as to require more than thirty (30) days within which to perform, provided Grantee provides written notice that it requires more than thirty (30) days to correct such violations or liability, commences the corrective action within the thirty (30) day period and thereafter uses reasonable diligence to correct the violation or liability.
- c. In the event this Franchise is revoked by reason of default of Grantee, City shall be entitled to collect from the performance bond that amount which is attributable to any damages sustained by City as a result of said default or revocation.
- d. Grantee shall be entitled to the return of the performance bond, or portion thereof, as remains sixty (60) days after the expiration of the term of the Franchise or revocation for default thereof, provided City has not notified Grantee of any actual or potential damages incurred as a result of Grantee's operations pursuant to the Franchise or as a result of said default.
- e. The rights reserved to City with respect to the performance bond are in addition to all other rights of City whether reserved by this Franchise or authorized by law, and no action, proceeding or exercise of a right with respect to the performance bond shall affect any other right City may have.

2. Letter of Credit.

- a. At the time of acceptance of this Franchise, Grantee shall deliver to City an irrevocable and unconditional letter of credit, in form and substance acceptable to City, from a National or State bank approved by City, in the amount of Ten Thousand Dollars (\$10,000.00) which shall be maintained at all times during which Grantee operates under this Franchise.
- b. The letter of credit shall provide that funds will be paid to City, upon written demand of City, and in an amount solely determined by City in payment for penalties charged pursuant to this section, in payment for any monies owed by Grantee to City or any Person pursuant to its obligations under this Franchise, or in payment for any damage incurred by City or any Person as a result of any acts or omissions by Grantee pursuant to this Franchise.
- c. In addition to recovery of any monies owed by Grantee to City or any Person or damages to City or any Person as a result of any acts or omissions by Grantee pursuant to the Franchise, City in its sole discretion may charge to and collect from the letter of credit the following penalties:
 - i. For failure to provide data, documents, reports or information or to

cooperate with City during an application process or system review or as otherwise provided herein, the penalty shall be One Hundred Dollars (\$100.00) per day for each day, or part thereof, such failure occurs or continues.

- ii. Fifteen (15) days following notice from City of a failure of Grantee to comply with construction, operation or maintenance standards, the penalty shall be One Hundred Dollars (\$100.00) per day for each day, or part thereof, such failure occurs or continues.
 - iii. For failure to provide the Services Grantee has proposed, including, but not limited to, the implementation and the utilization of the access channels and the maintenance and/or replacement of the equipment and other facilities, the penalty shall be One Hundred Dollars (\$100.00) per day for each day, or part thereof, such failure occurs or continues.
 - iv. For failure to comply with any of the provisions of this Franchise for which a penalty is not otherwise specifically provided pursuant to this subparagraph (c), the penalty shall be One Hundred Dollars (\$100.00) per day for each day, or part thereof, such failure occurs or continues.
- d. Each violation of any provision of this Franchise shall be considered a separate violation for which a separate penalty can be imposed.
- e. Whenever City finds that Grantee has violated one (1) or more terms, conditions or provisions of this Franchise, or for any other violation contemplated in subparagraph (c) above, a written notice shall be given to Grantee informing it of such violation. At any time after thirty (30) days (or such longer reasonable time which, in the sole determination of City, is necessary to cure the alleged violation) following local receipt of notice, provided Grantee remains in violation of one (1) or more terms, conditions or provisions of this Franchise City may draw from the letter of credit all penalties and other monies due City from the date of the local receipt of notice.
- f. Grantee may, within thirty (30) days of receipt of notice under (e), notify City in writing that there is a dispute as to whether a violation or failure has in fact occurred. Such written notice by Grantee to City shall specify with particularity the matters disputed by Grantee.
- i. City shall hear Grantee's dispute within sixty (60) days and render a final decision within sixty (60) days thereafter.
 - ii. Upon the determination of City that no violation has taken place, City shall rescind the notice and terminate the proceeding.
- g. If City draws upon the letter of credit or any subsequent letter of credit delivered

pursuant hereto, in whole or in part, Grantee shall replace or replenish to its full amount the same within thirty (30) days and shall deliver to City a like replacement letter of credit or certification of replenishment for the full amount stated in Section 8.2 (a) as a substitution of the previous letter of credit. This shall be a continuing obligation for any draws upon the letter of credit. This shall be a continuing obligation for any draws upon the letter of credit up to an aggregate total of Fifty Thousand and No/100 Dollars (\$50,000.00) over the Franchise term.

- h. If any letter of credit is not so replaced or replenished, City may draw on said letter of credit for the whole amount thereof and use the proceeds as City determines in its sole discretion. The failure to replace or replenish any letter of credit may also, at the option of the City, be deemed a default by Grantee under this Franchise. The drawing on the letter of credit by City, and use of the money so obtained for payment or performance of the obligations, duties and responsibilities of Grantee which are in default, shall not be a waiver or release of such default.
- j. The collection by City of any damages, monies or penalties from the letter of credit shall not affect any other right or remedy available to City, nor shall any act, or failure to act, by City pursuant to the letter of credit, be deemed a waiver of any right of City pursuant to this Franchise or otherwise.

3. Indemnification of City.

- a. City, its officers, boards, committees, commissions, elected officials, employees and agents shall not be liable for any loss or damage to any real or personal property of any Person, or for any injury to or death of any Person, arising out of or in connection with Grantee's construction, operation, maintenance, repair or removal of the System or as to any other action of Grantee with respect to this Franchise.
- b. Grantee shall indemnify, defend, and hold harmless City, its officers, boards, committees, commissions, elected officials, employees and agents, from and against all liability, damages, and penalties which they may legally be required to pay as a result of the City's exercise, administration, or enforcement of the Franchise.
- c. Nothing in this Franchise relieves a Person, except City, from liability arising out of the failure to exercise reasonable care to avoid injuring the Grantee's facilities while performing work connected with grading, regarding, or changing the line of a Right-of-Way or public place or with the construction or reconstruction of a sewer or water system.
- d. Grantee shall not be required to indemnify City for negligence or misconduct on the part of the City or its officials, boards, commissions, agents, or employees, including any loss claims related to PEG access channels or programming in which City participates subject to applicable state and federal statutory

limitations.

- e. In order for City to assert its rights to be indemnified, defended, and held harmless, City must, with respect to each claim:
 - i. Promptly notify Grantee within ten (10) business days in writing of any claim or legal proceeding which gives rise to such right;
 - ii. Afford Grantee the opportunity to participate in and fully control any compromise, settlement or other resolution or disposition of any claim or proceeding; and
 - iii. Fully cooperate with reasonable requests of Grantee, at Grantee's expense, in its participation in, and control, compromise, settlement or resolution or other disposition of such claim or proceeding subject to subparagraph (ii) above.

4. Insurance.

- a. As a part of the indemnification provided in Section 8,3, but without limiting the foregoing, Grantee shall file with City at the time of its acceptance of this Franchise, and at all times thereafter maintain in full force and effect at its sole expense, a comprehensive general liability insurance policy, including broadcaster's/cablecaster's liability and contractual liability coverage, in protection of the Grantee, and the City, its officers, elected officials, boards, commissions, agents and employees for any and all damages and penalties which may arise as a result of this Franchise. The policy or policies shall name the City as an additional insured, and in their capacity as such, City officers, elected officials, boards, commissions, agents and employees.
- b. The policies of insurance shall be in the sum of not less than One Million Five Hundred Thousand Dollars (\$1,500,000.00) for personal injury or death of any one Person, and Two Million Dollars (\$2,000,000.00) for personal injury or death of two (2) or more Persons in any one occurrence, One Million Five Hundred Thousand Dollars (\$1,500,000.00) for property damage to any one Person and Two Million Dollars (\$2,000,000.00) for property damage resulting from any one (1) act or occurrence.
- c. The policy or policies of insurance shall be maintained by Grantee in full force and effect during the entire term of the Franchise. Each policy of insurance shall contain a statement on its face that the insurer will not cancel the policy or fail to renew the policy, whether for nonpayment of premium, or otherwise, and whether at the request of Grantee or for other reasons, except after sixty (60) days advance written notice have been provided to City.

SECTION 9.
SALE, ABANDONMENT, TRANSFER AND REVOCATION OF FRANCHISE

1. City's Right to Revoke.
 - a. In addition to all other rights which City has pursuant to law or equity, City reserves the right to commence proceedings to revoke, terminate or cancel this Franchise, and all rights and privileges pertaining thereto, if it is determined by City that:
 - i. Grantee has violated material provisions(s) of this Franchise; or
 - ii. Grantee has attempted to evade any of the provisions of the Franchise; or
 - iii. Grantee has practiced fraud or deceit upon City.
2. Procedures for Revocation.
 - a. City shall provide Grantee with written notice of a cause for revocation and the intent to revoke and shall allow Grantee thirty (30) days subsequent to receipt of the notice in which to correct the violation or to provide adequate assurance of performance in compliance with the Franchise. In the notice required herein, City shall provide Grantee with the basis of the revocation.
 - b. Grantee shall be provided the right to a public hearing affording due process before the City Council prior to the effective date of revocation, which public hearing shall follow the thirty (30) day notice provided in subparagraph (a) above. City shall provide Grantee with written notice of its decision together with written findings of fact supplementing said decision.
 - c. During the appeal period, the Franchise shall remain in full force and effect unless the term thereof sooner expires or unless continuation of the Franchise would endanger the health, safety and welfare of any Person or the public.
3. Abandonment of Service. Grantee may not abandon the System or any portion thereof without having first given three (3) months written notice to City. Grantee may not abandon the System or any portion thereof without compensating City for damages resulting from the abandonment, including all costs incident to removal of the System.
4. Removal After Abandonment. Termination or Forfeiture.
 - a. In the event of termination or forfeiture of the Franchise or abandonment of the System, City shall have the right to require Grantee to remove all or any portion of the System from all Rights-of-Way and public property within City.
 - b. If Grantee has failed to commence removal of System, or such part thereof as was designated by City, within thirty (30) days after written notice of City's demand for removal is given, or if Grantee has failed to complete such removal within twelve (12) months after written notice of City's demand for removal is

given, City shall have the right to apply funds secured by the letter of credit and Performance Bond toward removal and/or declare all right, title, and interest to the System to be in City with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another for operation by it.

- c. Nothing herein shall require the removal of any portion of the System lawfully used to provide non-Cable Services in the City.

5. Sale or Transfer of Franchise.

- a. No sale or transfer of the Franchise, or sale, transfer, or fundamental corporate change of or in Grantee, including, but not limited to, a fundamental corporate change in Grantee's parent corporation or any entity having a controlling interest in Grantee, the sale of a controlling interest in the Grantee's assets, a merger including the merger of a subsidiary and parent entity, consolidation, or the creation of a subsidiary or affiliate entity, shall take place until a written request has been filed with City requesting approval of the sale, transfer, or corporate change and such approval has been granted or deemed granted, provided, however, that said approval shall not be required where Grantee grants a security interest in its Franchise and/or assets to secure an indebtedness.
- b. Any sale, transfer, exchange or assignment of stock in Grantee, or Grantee's parent corporation or any other entity having a controlling interest in Grantee, so as to create a new controlling interest therein, shall be subject to the requirements of this Section 9.5. The term "controlling interest" as used herein is not limited to majority stock ownership, but includes actual working control in whatever manner exercised. In any event, as used herein, a new "controlling interest" shall be deemed to be created upon the acquisition through any transaction or group of transactions of a legal or beneficial interest of fifteen percent (15%) or more by one (1) Person. Acquisition by one (1) Person of an interest of five percent (5%) or more in a single transaction shall require notice to City.
- c. The Grantee shall file all documents, forms and information required to be filed by Applicable Law.
- d. City shall have such time as is permitted by federal law in which to review a transfer request.
- e. In no event shall a sale, transfer, corporate change, or assignment of ownership or control pursuant to subparagraph (a) or (b) of this section be approved without the transferee becoming a signatory to this Franchise and assuming all rights and obligations thereunder, and assuming all other rights and obligations of the transferor to the City including, but not limited to, any adequate guarantees or other security instruments provided by the transferor.
- f. In the event of any proposed sale, transfer, corporate change, or assignment

pursuant to subparagraph (a) or (b) of this section, City shall have the right to purchase the System for the value of the consideration proposed in such transaction. City's right to purchase shall arise upon City's receipt of notice of the material terms of an offer or proposal for sale, transfer, corporate change, or assignment, which Grantee has accepted. Notice of such offer or proposal must be conveyed to City in writing and separate from any general announcement of the transaction.

- g. City shall be deemed to have waived its right to purchase the System pursuant to this section only in the following circumstances:
 - i. If City does not indicate to Grantee in writing, within sixty (60) days of receipt of written notice of a proposed sale, transfer, corporate change, or assignment as contemplated in Section 9.5(g) above, its intention to exercise its right of purchase; or
 - ii. It approves the assignment or sale of the Franchise as provided within this section.
- h. No Franchise may be transferred if City determines Grantee is in noncompliance of the Franchise unless an acceptable compliance program has been approved by City. The approval of any transfer of ownership pursuant to this section shall not be deemed to waive any rights of City to subsequently enforce noncompliance issues relating to this Franchise even if such issues predated the approval, whether known or unknown to City,

SECTION 10. PROTECTION OF INDIVIDUAL RIGHTS

1. Discriminatory Practices Prohibited. Grantee shall comply at all times with all other applicable federal, state and City laws, and all executive and administrative orders relating to nondiscrimination.

The request for permission must be contained in a separate document with a prominent statement that the Subscriber is authorizing the permission in full knowledge of its provisions. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such permission. The permission shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.

(ii) No information or data obtained by monitoring transmission of a signal from a Subscriber terminal, including but not limited to lists of the names and addresses of Subscribers or any lists that identify the viewing habits of Subscribers shall be sold or otherwise made available to any party other than to Grantee or its agents for Grantee's business use, and also to the Subscriber subject of that information, unless Grantee has received specific written permission from the Subscriber to make such data available.

(iii) Written permission from the Subscriber shall not be required for the conducting of system wide or individually addressed electronic sweeps for the purpose of verifying System integrity or monitoring for the purpose of billing. Confidentiality of such information shall be subject to the provision set forth in subparagraph (ii) of this section.

(iv) "Class IV Cable Communications Channel" means a signaling path provided by a Cable System to transmit signals of any type from a Subscriber terminal to another point in the System

SECTION 11. UNAUTHORIZED CONNECTIONS AND MODIFICATIONS

1. Unauthorized Connections or Modifications Prohibited. It shall be unlawful for any firm, Person, group, company, corporation, or governmental body or agency, without the express consent of the Grantee, to make or possess, or assist anybody in making or possessing, any unauthorized connection, extension, or division, whether physically, acoustically, inductively, electronically or otherwise, with or to any segment of the System or receive Services of the System without Grantee's authorization.
2. Removal or Destruction Prohibited. It shall be unlawful for any firm, Person, group, company, or corporation to willfully interfere, tamper, remove, obstruct, or damage, or assist thereof, any part or segment of the System for any purpose whatsoever, except for any rights City may have pursuant to this Franchise or its police powers.

Grantee and City shall conform to state laws and rules regarding cable communications not later than one (1) year after they become effective, unless otherwise stated, and to conform to federal laws and regulations regarding cable as they become effective,
 - b. If any term, condition or provision of this Franchise or the application thereof to any Person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition or provision to Persons or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Franchise and all the terms, provisions and conditions hereof shall, in all other respects, continue to be effective and complied with provided the loss of the invalid or unenforceable clause does not substantially alter the agreement between the parties. In the event such law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision which had been held invalid or modified is no longer in conflict with the law, rules and regulations then in effect, said provision shall thereupon return to full force and effect and shall thereafter *be* binding on Grantee and City.
5. Nonenforcement by City. Grantee shall not be relieved of its obligations to comply with any of the provisions of this Franchise by reason of any failure or delay of City to enforce prompt compliance. City may only waive its rights hereunder by expressly so stating in writing. Any such written waiver by City of a breach or violation of any provision of this Franchise shall not operate as or be construed to be a waiver of any subsequent breach or violation.
6. Rights Cumulative. All rights and remedies given to City by this Franchise or retained

by City herein shall be in addition to and cumulative with any and all other rights and remedies, existing or implied, now or hereafter available to City, and the exercise of any such rights or remedies shall not be deemed a waiver of any other right or remedy provided herein. Similarly, in addition to any rights specifically reserved or waived by this Franchise, Grantee reserves every right and power available to it.

7. Grantee Acknowledgment of Validity of Franchise. Grantee acknowledges that it has had an opportunity to review the terms and conditions of this Franchise and has the right to enter into, execute and perform its obligations under this Franchise and that Grantee believes that said terms and conditions are not unreasonable and are valid and binding obligations. Subject to the foregoing, nothing in this Franchise shall be construed as a waiver of any rights of the City or Grantee.

2. Acceptance.
 - a. Grantee shall accept this Franchise within thirty (30) days of its enactment by the City Council, unless the time for acceptance is extended by City. Such acceptance by the Grantee shall be deemed the grant of this Franchise for all purposes provided, however, this Franchise shall not be effective until all City ordinance adoption procedures are complied with and all applicable timelines have run for the adoption of a City ordinance. In the event acceptance does not take place, or should all ordinance adoption procedures and timelines not be completed, this Franchise and any and all rights granted hereunder to Grantee shall be null and void.

EXHIBIT B
DESCRIPTION OF SYSTEM
(Informational only)

Beyond traditional cable television video service there are a host of other Services that can be supported by Grantee's System. Digital and high definition video services, High speed data, Internet access, and cost-effective telecommunications, for example, can be provided according to the demands of the community. The Grantee's upgraded System also provides increased reliability and picture quality.

What the network looks like

The Grantee's upgraded HFC (hybrid fiber/coax) System is designed to operate with a bandwidth of 5 MHz to 860 MHz. This platform supports additional Channel capacity and future upgrades. As an example, through the use of digital compression, as many as 12 Channels can be carried in the same space as one (1) analog Channel. The result is a large number of available Channels, with plenty of additional capacity for future needs.

The network is capable of not only sending signals out to customers, but returning signals back to the origination site from anywhere in the system, as well.

Fiber optic transmitters, cable and optical receivers are used to transport the signals from the original site, to at least one (1) receiving location or "node" in each community. In most cases, there are a maximum of five hundred (500) homes served from each node which is an accepted industry standard used when considering implementation of future Services. After each node, the number of active electronics or amplifiers is reduced to the minimum required to reach the limits of the community, while still maintaining measurable picture quality meeting FCC requirements.

Fiber optic and coaxial plant in the network

The optical transmission system is the backbone of the new network, providing the primary means of moving signals from the origination site out to each community. At the origination site, all the programming to be carried on the System is converted to optical signals, and transmitted out into the System by a network of fiber optic cables.

The combination of optical transmitters and cables allow more reliable, higher-quality pictures to be received in each community. Earlier means of transmission involving many miles of metal-sheathed coaxial cable and cascades of amplifiers created the potential for Service interruptions anywhere along the transmission route. A problem appearing at one point mid-way into the System affected all customers beyond that point. Power outages, lightning storms, isolated outages, vandalism, and isolated equipment failure will have much less of an effect on the new network than on the coaxial system in the past.

The coaxial portion of the plant begins at the node itself, where signals are distributed over a

short coax network, consisting of modern, high-quality network amplifiers. These amplifiers are specifically designed for use in HFC networks, and incorporate return-transmission capability.

All of the electronic components in the coaxial system were replaced with new 860 MHz devices. This insures a complete 860 MHz network, and provides a simpler construction solution should any future upgrade work be required.

Potential for future expansion

The upgraded network is completely expandable due to its fiber optic backbone. The optical system incorporates extra fibers that run to each node. As communities grow, there will be capacity available to serve residents and businesses.
