Dear Lanell:

We have enclosed a \$2,500 America's Farmers Grow Communities donation from the Monsanto Fund on behalf of Goodhue County farmer, Brad Hovel. Hovel selected Cannon Falls Fire Department to receive this donation through Grow Communities. Thank you for ensuring that the organization receives this check in a timely manner.

The purpose of the Grow Communities program is to partner with farmers to make a positive impact in farm communities across the country by supporting local nonprofit organizations. Since the program began in 2010, more than \$26 million has been directed to organizations across rural America. Learn more at AmericasFarmers.com.

We appreciate your help facilitating this donation.
