

# **MEMORANDUM**

**TO: MAYOR AND CITY COUNCIL**

**FROM: Tom Bergeson, Director of Public Works**

**SUBJECT: Colvill Street Retaining Wall**

**DATE: June 20, 2017**

## **BACKGROUND**

At the June 13, 2017 Public Works Commission meeting they discussed and recommended replacing the retaining wall at the east end of Colvill Street. The existing wall is failing and needs to be replaced. After reaching out and meeting with 2 landscape companies, the lower cost estimate came in through Groundworks Landscaping out of Hastings. The estimate is to include tearing out the old wall, labor and materials. The cost for this service is \$6,801.00

## **REQUESTED COUNCIL ACTION**

Motion to approve the the replacement of the Colvill Street Retaining wall by Groundworks Landscaping out of Hastings.
