

TO: Mayor Robinson and City Council

FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: Authorization to dispose of fleet vehicle

DATE: July 10, 2017

BACKGROUND

The Police Department has replaced one of the admin vehicles with a squad that came out of service this year. The old admin vehicle, a 2008 Crown Victoria has been stripped of equipment and readied to be disposed of.

I have found that selling vehicles using the State auction services has obtained prices significantly greater than if sold locally. The State auction also has the advantage of not having to deal with showing the vehicle, collecting money or transferring, as that is all handled by the State. I spoke with the City Administrator about having the proceeds from this sale applied to the Police Capital Funds to be used for a future police vehicle purchase.

REQUESTED COUNCIL ACTION

Authorize the disposal of the 2008 Crown Victoria through State auction and proceeds applied to the Police Capital Funds.
