

**TO:** Honorable Mayor and City Council  
**FROM:** City Administrator Ron Johnson  
**SUBJECT:** Group Employee Health Insurance- Bill Singer, AT Group  
**MEETING DATE:** August 1, 2017

**BACKGROUND**

The AT Group specializes in employee benefits for public groups and works with 175 cities and counties across Minnesota. They have administered the city's health, dental, life, long term disability, voluntary vision, flex plan and COBRA for approximately the past 10 years.

Bill Singer, our AT Group representative, will be here to go over the overall health insurance environment, and, in particular, our renewal. He is currently working on another possible proposal for us. Bill has been excellent to work with and is very responsive to group and individual questions and concerns.

As I mentioned at the last meeting, our health insurance renewal premiums beginning December 1, 2017 will increase by approximately 6%, but with overall age increases, the increase will be closer to 9%.

**REQUESTED COUNCIL ACTION**
