Subject: Re-zoning Newly Annexed Property Second Reading

Date: January 2, 2018

BACKGROUND:

At the December 5, 2017 City Council meeting the City Council approved the annexation of an approximately 9.8 acre parcel on 318th Street. The attached Exhibit A is a map depicting the lots. At the December 19, 2017 City Council meeting the City Council approved the first reading of a re-zoning ordinance to re-zone the property from Urban Reserve to Highway Business District.

All newly annexed properties are zoned Urban Reserve which allows for residential development. The buyer of the lot, Ryan Kranz, has proposed to open a recreational vehicle storage facility on site and possibly operate a shop for his electrical business, Fish-in Electric on the property. The current zoning does not allow for these proposed uses. It is proposed to re-zone the property to B-2, Highway Business District. All surrounding properties that are in the City of Cannon Falls city limits are zoned B-2 therefore the proposed zoning complements surrounding zoning districts.

This is the second reading of the re-zoning ordinance. The City Council unanimously approved the first reading of the ordinance at its December 19, 2017 meeting.

REQUESTED COUNCIL ACTION:

The City Council is asked to approve the second reading of the re-zoning of a newly annexed 9.8 acre parcel on 318th street from Urban Reserve to Highway Business District.
