FROM: LANELL ENDRES, INTERIM CITY ADMIN/FINANCE DIRECTOR
SUBJECT: THIRD STREET BRIDGE
MEETING DATE: MARCH 6, 2018

BACKGROUND

The City plans to rehabilitate the Third Street Bridge over the Cannon River. This bridge is listed on the National Register of Historic Places. The City received a Minnesota Historical Society and Cultural Heritage Legacy Grant to prepare engineering plans. We are planning to seek a federal grant for the construction costs.

The City hired SRF Consulting Group to prepare the design and construction plans for the rehabilitation of the bridge. The project will preserve the historic character of the bridge following Section 106 of the National Historic Preservation Act.

Representatives from SRF and Goodhue County will be present to review the project and take public comment regarding the bridge rehabilitation.
