

LeRoy McCusker

Due to the fact that I am dealing with health issues I feel I can no longer serve on the Cannon Falls city council. I will resign effective April 4, 2018. I know it does no good but I would like to suggest a few things on the way out.

We have our local talent in Dave Maroney to step into the city administrator position. We have Samantha that can do the EDA.

We have two local people interested in public works. Replacing these employees and hiring could be done in 12 to 14 days.

Also, if council would consider Phil Hammes (263-5098), Greg Shae (1-682-472-4158) or Adam Peters (651-301-0023) for my seat, that would be nice.

The best to ya all

Thanks
