

TO: MAYOR AND CITY COUNCIL
FROM: MIKE ALTHOFF, FIRE CHIEF
SUBJECT: Luke Swanson Hire
MEETING DATE: August 21st, 2018

BACKGROUND

Due to a resignation earlier this year it left us with a vacant badge number 4621. This position was advertised locally in the month of July. The Fire Department's interview committee held interviews and wish to extend an offer for the position of firefighter to Luke Swanson. Luke has recently moved back to Cannon Falls from the Wanamingo area where he has over 13 years of firefighting experience with them, serving as their asst. Fire Chief when he resigned. This should make for an easy transition to our department. Luke has all the mandatory state training and is up to date with his certifications.

REQUESTED COUNCIL ACTION

I recommend hiring Luke Swanson to the position of firefighter pending a successful background investigation.
