

TO: MAYOR AND CITY COUNCIL
FROM: MIKE ALTHOFF, Public Works Director
SUBJECT: Public Works Fence
MEETING DATE: September 18th, 2018

BACKGROUND

I am working on securing the public works yard. Currently we have invested quite a bit of money in gates. We currently have a 76 foot gap in the fence on the northwest corner of our yard. I would like to have Dakota Unlimited do the project; they are the company installing the dog park fence. If done at the same time it would save \$680.00. Attached is their bid. I am also hoping to install security cameras this fall. Onsite is working on a project bid for that. I would like to spread the fence cost across parks, streets, water, and wastewater to evenly absorb this expense.

REQUESTED COUNCIL ACTION

Approve the Dakota Unlimited bid to finish the fence surrounding the Public Works yard.

Attachment(s):

Bid includes materials, installation, warranties, & utility locates.
