MEETING DATE: Tuesday, October 2, 2018

BACKGROUND

VFW 4452 submitted an application for a Temporary Liquor License for the north parking of the VFW building on Saturday, September 22, 2018. It was approved by City Council and the Alcohol & Gambling Enforcement Division. The street closure of Veterans Lane for this event had also been coordinated and agreed upon with the Cannon Falls Police Department as well as the Cannon Falls Public Works Department. Due to the storms on September 20th, this event was not able to be held. The VFW 4452 is asking that the Temporary Liquor License for the Bean Bag Tournament as well as the street closure for Veterans Lane be rescheduled to Saturday, October 20th, 2018.

STAFF RECOMMENDATION

I respectfully request a motion approving the transfer of date to Saturday, October 20th, 2018 for the temporary liquor license for VFW 4452, as well as the temporary street closure of Veterans Lane. They have met all of the administrative requirements.
