

MEMORANDUM

TO: MAYOR AND CITY COUNCIL

FROM: Mike Althoff, Fire Chief

SUBJECT: Rescue Truck Sale

MEETING DATE: November 13th, 2018

BACKGROUND

The Fire Department took ownership of the new Rescue Truck in August of this year. Prior to delivery of our new apparatus, I started advertising the sale of our 1996 International Marion Rescue Truck. Recently we received an offer from Nick Lindenfelser, a manufacturer from the Northfield area; his offer is \$10,000.00. Since advertisement began in July, this is our second interested party and no offer or further interest shown by the other party. Due to lack of other interest, I think this would be a good option to sell the vehicle. This was advertised to be an as is condition purchase.

REQUESTED COUNCIL ACTION

Accept the offer from Nick Lindenfelser for the sale of the 1996 International Marion Rescue Truck for the price of \$10,000.00 in as is condition.
