

MEMO

TO: Mayor and City Council

FROM: MIKE ALTHOFF, Public Works Director

SUBJECT: John Burch Park User Fees for District 252

MEETING DATE: June 18, 2019

BACKGROUND

The commission has had several meetings involving user fees at John Burch Park. It has been recommended by the commission to set a \$200 user fee for football games due to damage they cause to the fields during play. It was also decided to set the same fee for Varsity Soccer games. The staff does put extra time and money into preparation and repair of the field before after these games. Staff also looked at the current \$50 fee for light use during night games. I feel \$75 is more appropriate to cover current electric costs while the lights are being used. The Commission would only like to bill the school district the user fees and not charge other organizations that use the park.

REQUESTED COMMISSION ACTION

Motion and approval to accept the Resolution setting user fees for the School District to use John Burch Park.
