

**TO: HONORABLE MAYOR AND CITY COUNCIL**  
**FROM: Mike Gesme, PEG Access Coordinator**  
**SUBJECT: PEG Access Technician**  
**MEETING DATE: August 20, 2019**

**BACKGROUND**

Our part-time cable technician is leaving for college soon and will be mostly unavailable to work. In the past, we have generally maintained about 1 to 3 students as part-time staff, depending on each individual's availability to assist with our broadcasts, video productions, and channel programming. I recommend we look to add a technician soon.

Wages for part-time technicians are included in the cable television budget.

**STAFF RECOMMENDATION**

I recommend we post an opening for a part-time PEG Access Technician.

**REQUESTED COUNCIL ACTION**

I respectfully request a motion to approve posting an opening for a part-time PEG Access Technician.
