SUBJECT: STATE SERVICE CONNECTION FEE INCREASE
MEETING DATE: DECEMBER 17, 2019

BACKGROUND

The Minnesota Department of Health established a drinking water service connection fee in 1993. This fee is charged to our drinking water system customers and collected by the City on the monthly utility bills. It appears as “State Surcharge” on the billing cards. We then pass the money through to the State on a quarterly basis.

The Minnesota Legislature approved an increase in this fee effective January 1, 2020. The fee is going from \$6.36 to \$9.72 per year. This results in a monthly charge of \$0.81.

REQUESTED COUNCIL ACTION
