TO:MAYOR AND CITY COUNCILFROM:NEIL JENSEN, City AdministratorSUBJECT:City Parking Lot Tree Replacement QuoteMEETING DATE:July 7, 2020

BACKGROUND;

The city parking lot has lost some trees and the rest of the trees in the lot are ash trees. With Emerald Ash Boer in Goodhue County it is time to plant some new trees to get started. The suggested group of trees is diversified to prevent any one disease from killing all the trees at once. Please see the quote from Knecht's Nursery for \$2,126.00 for 14 trees. City staff will plant and water them if approved by city council.

STAFF RECOMMENDATION

Please consider the quote of \$2,126.00 for 14 trees to be installed in the City Parking Lot.

REQUESTED COUNCIL ACTION

Please make a motion to approve the quote from Knecht's Nursery of \$2,126.00 for 14 trees to be planted by city staff.

PO Box 241 Northfield, MN 55057 www.knechts.net (507) 645-5015
