

MEMORANDUM

TO: MAYOR AND CITY COUNCIL

FROM: Wes Anway, Utilities Supervisor

SUBJECT: Installation of New RPZ at WWTP

DATE: August 18, 2020

BACKGROUND

During the annual inspection of all cities owned RPZ it was brought to our attention that the 4" RPZ for Non Potable water at the WWTP was so badly deteriorated from the corrosive atmosphere that it is in, that it cannot be tested and proven to work as it should. These valves need to be tested annually to stay in compliance with MN State Plumbing code. We received a bid from Ryan Mechanical in Red Wing for a complete stainless steel RPZ and stainless steel valves at a price of \$5960.00. Going with an all stainless steel setup will give us longer life of the valve overall.

REQUESTED COUNCIL ACTION

Approve the bid from Ryan Mechanical for the replacement of the 4" RPZ in the amount of \$5960.00.
