

TO: MAYOR AND CITY COUNCIL
FROM: NEIL JENSEN, City Administrator
SUBJECT: Cannon Falls Bomber Dance Team Banner Request
MEETING DATE: December 15, 2020

BACKGROUND:

Please find attached a request from the Cannon Falls Bomber Dance Team to hang banners on the John Burch Field fence. By the request it looks like a team banner and four senior banners. They would like to hang them until the end of the season or around March 29th. There have been similar requests like this during this pandemic and school closures.

STAFF RECOMMENDATION

Please consider the request to hang the banners as it seems reasonable to approve the request.

REQUESTED COUNCIL ACTION

Please make a motion to allow the Cannon Falls Bomber dance team to hang dance team banners on the John Burch Field fence until March 29th.

To Whom It May Concern:

I am coming to you with a request from the Dance Team. In typical years, we have a team banner printed as well as banners for our seniors. These banners are normally displayed in the high school and the gym. Since this is a very unusual year, and with many unknowns about how the rest of our season or the school year is going to look, I'd like to try to make sure that the athletes on the team, as well as the seniors, get as much recognition as possible.

I am requesting permission to hang our team banner and senior banners for our four seniors on the fence at John Burch Park. This would be similar to the senior banner that was approved last Spring.

I will hang the banners in the next couple of weeks once they have arrived and I will take them down at the conclusion of our season, which will be no later than the week of March 29, 2020.

In this unprecedented year, I am trying to make things as normal as possible and get some recognition for our athletes. I feel like having our banner hung where the community can see it and recognizing our seniors as we normally would, is a good step.

Thank you for your time and consideration.

Sincerely,

Jamie Swenning
