

**TO: Mayor and City Council**

**FROM: Dan Howard, Public Works Director**

**SUBJECT: West Side Park Tree Plan**

**MEETING DATE: Tuesday, April 20, 2021**

**BACKGROUND**

At the March 4, 2021 Park Board meeting, the committee came up with a beautification plan for the West Side Park. Three Deciduous trees at \$200 each have been chosen to be planted west of the play structure. One Standard Hackberry, 1 American Elm and 1 Hybrid Maple-Autumn Blaze. Total cost of the 3 trees is \$600.

Fourteen Techny Aborvitae plants at \$159.99 each have been chosen to be planted east of the play structure. Total cost of the Aborvitae plants is \$2239.86. The total cost of the project is \$2839.86.

**REQUESTED COUNCIL ACTION**

I respectfully request a motion and approval to accept The West Side Park Tree Plan as recommended by the Park Board.
