

**TO: Mayor and City Council**

**FROM: Dan Howard, Public Works Director**

**SUBJECT: 325 Limestone Road Curb and Gutter**

**MEETING DATE: Tuesday, June 15, 2021**

**BACKGROUND**

The City curb and gutter at the entrance to 325 Limestone Road has settled and cracked. O’Gorman Masonry Incorporated is contracted to install the driveway for this resident. O’Gorman Masonry Incorporated has quoted \$1,000 to remove 34 feet of City curb and gutter and re-pour the same to grade. Some soil correction will be needed to avoid a reoccurrence of the settling.

**REQUESTED COUNCIL ACTION**

I respectfully request a motion and approval to hire O’Gorman Masonry Incorporated to remove and replace 34 feet of curb and gutter at 325 Limestone Road at a cost of \$1,000 as recommended by the Public Works Commission.

# O'Gorman Masonry Inc

City of Cannon Falls  
c/o Dan Howard

## Bid Proposal

Remove and Replace 34 ft of curb                      \$1000.00

Soil correction is extra – price to be determined
