

TO: Mayor and City Council

FROM: Tim Malchow, EMS Chief

SUBJECT: Purchase a Vehicle

DATE: July 6, 2021

BACKGROUND

On May 15, 2018, the City Council approval the temporary transfer of a police department vehicle for the ambulance department use. Since receiving the vehicle, the ambulance has determined that have a quick response vehicle is necessary and has proven to be a valuable asset to have.

Our hope is to purchase a crew cab pickup with four-wheel drive to replace the loaned vehicle from the police department. The pickup once received will have graphics, emergency lights, and equipment installed at a later time.

REQUESTED COUNCIL ACTION

Request a motion to approve the purchase of a 2021 Chevrolet Silverado crew cab pickup from Ranger Chevrolet (Minnesota State contract holder) for an amount not to exceed \$33,500.00.
