

TO: Mayor and City Council

FROM: Dan Howard, Public Works Director

SUBJECT: Street Crack Sealing and Spray Patching

MEETING DATE: Tuesday, July 6, 2021

BACKGROUND

This year as part of annual street preventive maintenance, we have reached out for a quote from Pavement Resources Incorporated to crack seal Minnesota Street West, Minnesota Court West and State Street West from 6th Street North to Union Street North. We would also include Union Street North, Union Court, Tammara Lane, Haven Height Court, as well as 8th, 9th, York, Floyd and Dow Streets North starting at Hoffman Street West and going north. The proposed cost to crack seal this area is \$9,500. Vegetation removal from the cracks in the proposed area would be \$2,850. We are requesting a 7 ton patch mix as well for areas in the Industrial Park. The targeted areas would be Holiday Avenue, North Park Drive, and Cannon Industrial Blvd. The proposed cost of spray patching would be \$3,600.

The total cost of this maintenance package would be \$15,950.

REQUESTED COUNCIL ACTION

I respectfully request a motion and approval to move forward with crack sealing and spray patching by Pavement Resources Incorporated at a cost of \$15,950 as recommended by the Public Works Commission.

Proposal

ADDRESS

Dan Howard
City of Cannon Falls
825 Cannon River Ave
Cannon Falls, MN 55009

PROPOSAL # 4688

DATE 06/15/2021

EXPIRATION DATE 07/06/2021

SALES REP

Jeff

| DATE | ACTIVITY | QTY | UNIT PRICE | AMOUNT |
|------|--|-----|------------|----------|
| | Service:Pavement Repair:Cracksealing-Blow and Seal | 1 | 9,500.00 | 9,500.00 |
| | Cracksealing-NTE 10, 656 LF Blow out cracks 1/4" up to 1", except in alligatored areas. Seal cracks with MN-DOT spec #3723 hot pour rubberized crackfiller. Apply barrier tissue as needed. Some settling of material will occur after cooling. | | | |
| | Service:Misc work | 1 | 2,850.00 | 2,850.00 |
| | Clean vegetation out of cracks prior to cracksealing and spray patching using Billy Goat Grazor. | | | |
| | Service:Pavement Repair:Spray Inject Patching | 1 | 3,600.00 | 3,600.00 |
| | Repair potholes, cracks wider than 1", alligator-cracked areas, and delaminated areas in pavement using the Spray Inject Method. The Spray Inject Method cleans the area, applies a tack coat, sprays the emulsion and aggregate mix into the pothole with sufficient force to compact the material as it is applied, and then follows with dry aggregate to prevent tracking. | | | |
| | NTE 7 tons patch mix or 8 hours on site, whichever comes first. | | | |

ACCEPTANCE OF PROPOSAL

The above prices, specifications and conditions are

TOTAL

\$15,950.00

satisfactory and hereby accepted. Pavement Resources, Inc. is authorized to do the work as specified.

DISCLAIMER:

Pavement Resources, Inc. is NOT RESPONSIBLE for work on any areas that are obstructed due to vehicles or other objects, or not otherwise accessible while work is being performed. Blocked or otherwise obstructed areas are subject to return trip scheduling and fees.

A minimum 25% of the total is due within 5 business days of accepting the job. BALANCE DUE NET 10 DAYS UPON COMPLETION OF WORK.

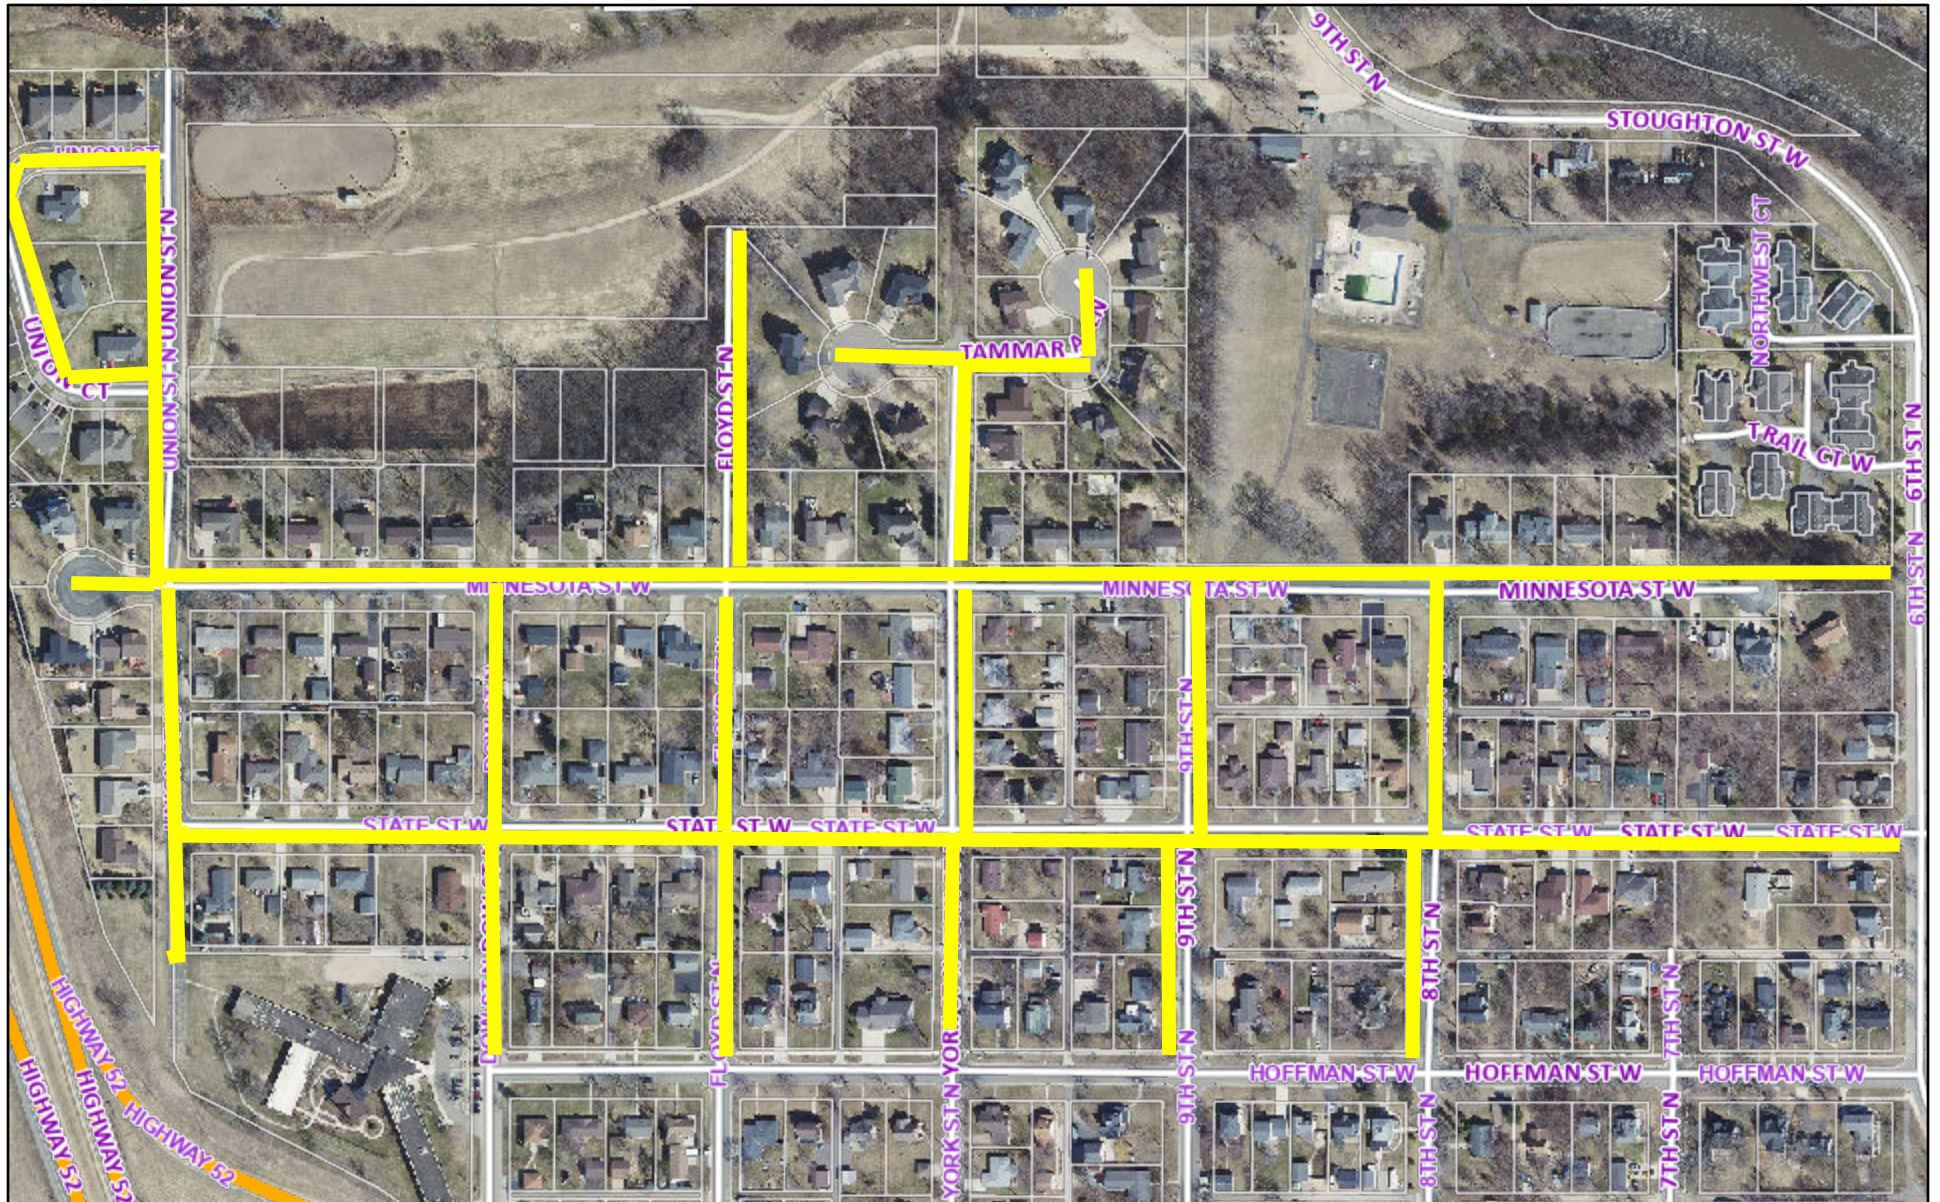

Upon acceptance of quotation and terms, PLEASE SIGN, date and RETURN. Thank you!
