

TO: Mayor Althoff and City Council

FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: 2022 Contracted Police Services Rate

DATE: March 28, 2022

BACKGROUND

The City Council approved a Police Department Policy addressing contracted police services in February 2020 and set the per hour rate for 2020. In February 2021 the City Council reviewed how the policy was working and continued the rate to use at \$72.00 per hour with a two (2) hour minimum. The rate was set to cover all the City's cost of providing the service.

Since the contracted policing services policy was adapted there was only one event, likely due to COVID-19. That same event organizer is planning another event for July of 2022. Since the City Council directed that the rate covers all the City's cost of providing the service. I have worked with our Human Services Technician to calculate the costs and have determined that the cost had increased \$0.95. I am recommending that the rate be increased \$1.00 to \$73.00 an hour. This would cover all the City's costs and like before an event that lasted longer than two hours or with more than one officer, the City is ahead of its cost.

REQUESTED COUNCIL ACTION

Request a motion and approval to set the Contracted Police Service rate at \$73.00 per hour with a two hour minimum.
