

TO: Mayor Althoff and City Council

FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: Summer/Fall Event Street Closures

DATE: March 24, 2022

BACKGROUND

During each year we have multiple events that require the closure of streets for the event to occur. As in the past the Police Department and Public Works will work with the event coordinator to find a balance between the safety of the event attendees and the impact on the residents and businesses effected by the closures. This request covers all of the events we have received notice on to date that require closing or posting no parking on streets. It is possible that weather or other factors could change the date of an event and the Police Department and Public Works will work with the event coordinator in substituting the new date, with the understanding that the approval of these requests allows for that contingency if it arises.
