

TO: Mayor and City Council

FROM: Dan Howard, Public Works Director

SUBJECT: Temporary Stop Sign Placement

MEETING DATE: Tuesday, May 17, 2022

BACKGROUND

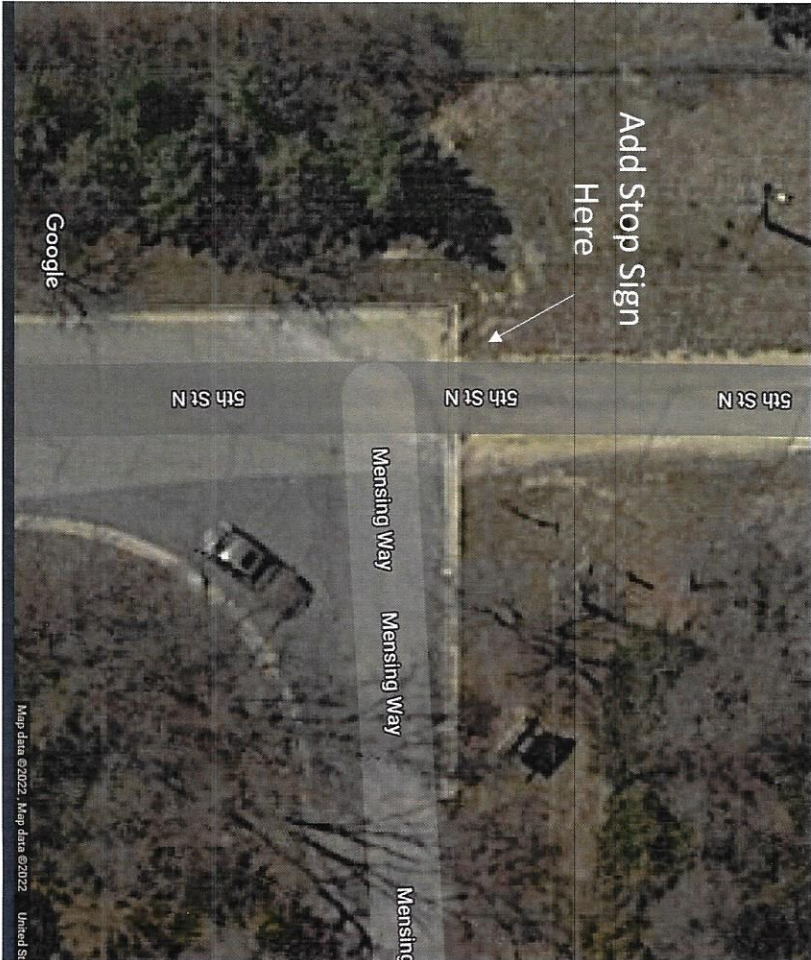

Gemini Director of Engineering Tom Toland has requested a temporary STOP sign on 5th Street at the intersection with Mensing Way during the construction of their new building. The sign would be placed to stop traffic as it enters 5th Street from the north. Please see accompanying map.

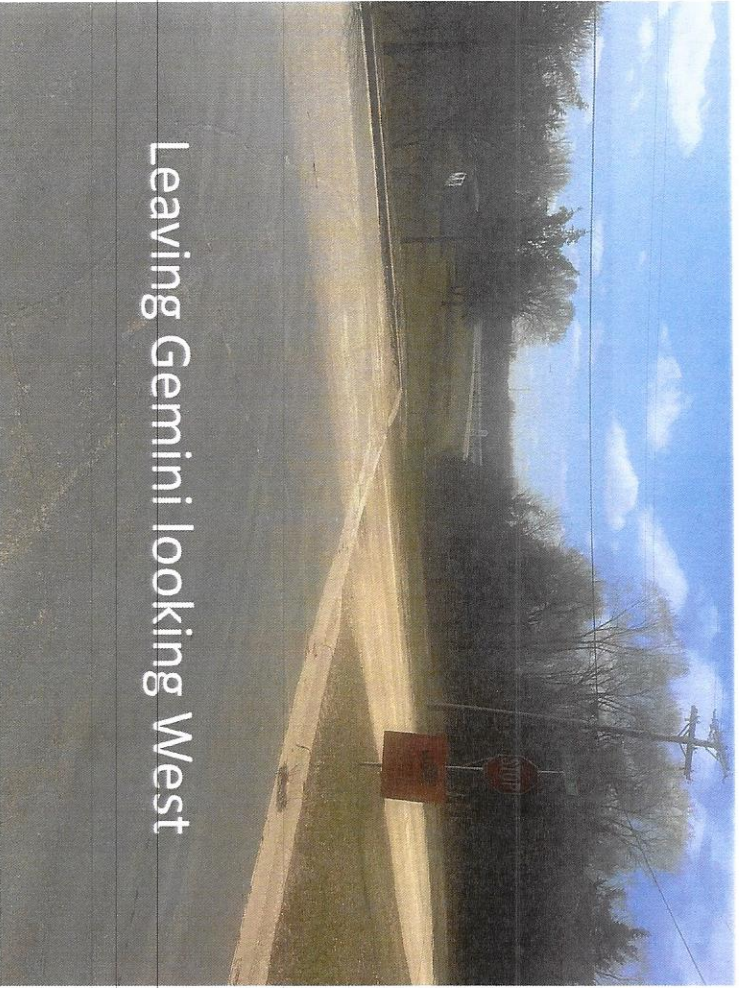

REQUESTED COUNCIL ACTION

I respectfully request a motion and approval to move forward with the installation of the temporary stop sign as recommended by the Public Works Commission.

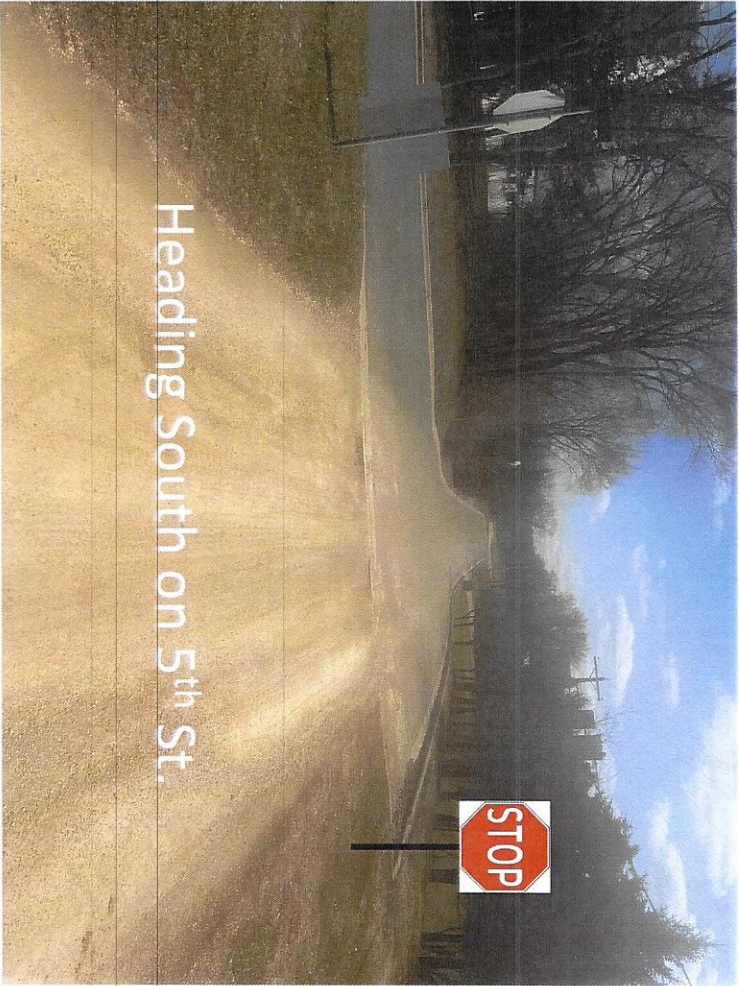

Request to add a Stop Sign on South Bound 5th st. at Mensing Way
