

TO: Mayor and City Council

FROM: Dan Howard, Public Works Director

SUBJECT: Vehicle Auction

MEETING DATE: Tuesday, July 19, 2022

BACKGROUND

At the September 7, 2021 City Council meeting, motion and approval was made to purchase a pickup for Public Works and to auction off the 2000 Chevrolet Dually Service Truck. Since that time, Public Works has reassessed the condition of the fleet and would instead like to offer the 2005 Chevrolet 2500 Duramax at auction.

REQUESTED COUNCIL ACTION

I respectfully request a motion and approval to offer the 2005 Chevrolet 2500 Duramax at auction as recommended by the Public Works Commission.
