

TO: Mayor and City Council

FROM: Dan Howard, Public Works Director

SUBJECT: Installation of cameras at Archie Swenson Fields

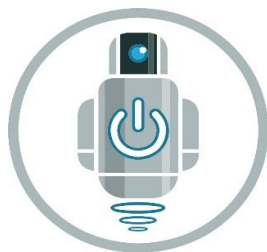

MEETING DATE: Tuesday, September 6, 2022

BACKGROUND

Winterized Technology LLC of Cannon Falls submitted a quote of \$3,905 to install a variety of cameras at the Archie Swenson Field complex. The concession stand would be monitored with 3 dome cameras, and the area around fields 3 and 4 would be monitored with 1 pole mounted license plate camera and 2 pole mounted bullet cameras. They would also monitor the traffic entering the wood yard. Some additional electrical work will be required for this project.

REQUESTED COUNCIL ACTION

Motion and approval to move forward with the installation of the cameras at Archie Swenson Fields by Winterized Technology LLC at a cost of \$3,905.
