

TO: MAYOR AND CITY COUNCIL

FROM: SARA PEER, CITY CLERK

SUBJECT: DESIGNATION OF POLLING PLACES FOR 2023

DATE: OCTOBER 18, 2022

BACKGROUND

Minnesota Statute Section 204B.16, Subd. 1 (Polling Places; Designation) requires the City Council to designate polling places by December 31 every year, even if the polling places have not changed from the prior year. The polling places designated each year must serve as the polling place for elections held during the following year unless an emergency occurs that prevents safe, secure and full operation of the polling place or if the polling place became unavailable. This does not change the precinct boundaries currently established and is designating the existing polling locations for both precincts (wards) to be at the Government Center, 918 River Road, Cannon Falls, MN.

REQUESTED COUNCIL ACTION

Staff respectfully requests the adoption of the resolution designating the polling places for the upcoming calendar year.
