

**TO: Mayor and City Council**

**FROM: Dan Howard, Public Works Director**

**SUBJECT: Purchase of Utility Vehicle**

**MEETING DATE: Tuesday, February 7, 2023**

**BACKGROUND**

With the retirement of the 2001 Toro Workman 3200 utility vehicle, Public Works would like to replace it with a similar vehicle. Two quotes were obtained. The first quote is for a John Deere Gator XUV835M HVAC, which came in at \$20,550.41. The second quote is for a Bobcat UV34, which came in at \$20,765.96. A difference of \$215.55. Both quotes are government contract prices. After comparing the two quotes, Public Works would like to purchase the John Deere Gator XUV835M HVAC. This vehicle will be used in both departments of Public Works. The Public Works equipment fund will be used to purchase this utility vehicle.

**REQUESTED COUNCIL ACTION**

I respectfully request motion and approval to allow Public Works to move forward with the purchase of the 2023 John Deere Gator XUV835M HVAC at a cost of \$20,550.41 as recommended by the Public Works Commission.
