

TO: Mayor and City Council
FROM: Jed Petersen, Public Works Director
SUBJECT: Door Actuator/Handicap buttons
MEETING DATE: Thursday, September 19, 2023

BACKGROUND

The push button activated automatic ADA door for city hall is no longer in working. Staff had BDS service the door and it was determined that the push button and motor need to be replaced for the door to function properly. BDS provided a quote for replacement for \$3,149.00 + \$500.00 electrician cost to install an outlet above the door.

REQUESTED COUNCIL ACTION

Motion and approval to move forward to with the quote to replace the button activated automatic door opener for \$3,149.00 + \$500.00 electrician cost.
