

TO: Mayor Montgomery and City Council

FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: Police Officer Badge Pinning

DATE: November 29, 2023

BACKGROUND

Over the past year we have had four new full-time officers joined our department. Officer Jeremy Jacobson and Robert Luna on March 20, 2023, Officer Jaxson Hanson on May 17, 2023 and Officer Nathaniel Fox on September 25, 2023.

We have been very focused on getting these officers hired and trained, with three in training at the same time. We are glad to have three of these officers out of training and working shifts, with the fourth halfway through his training. Now that we have had a chance to breathe a little and get caught up on things set aside, we need to do a formal badge pinning for these officers. We decided to combine the badge pinning ceremony for them, which will include the administration of the Oath by the Mayor, followed by formal pinning on of their badges by the person of their choosing.

I feel that this provides a great opportunity for the City Council to welcome Jeremy, Robert, Jaxson and Nathaniel to the City and community as one of our police officers.

The officers select who will pin on their badge.

Officer Jacobson will have his girlfriend

Officer Luna will have his sons

Officer Hanson will have his father

Officer Fox will have his father
