

TO: Mayor Montgomery and City Council

FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: Police Officer Resignation

DATE: December 21, 2023

BACKGROUND

Officer Bond has advised he is resigning his part-time position effective January 5, 2024.

I am requesting Council approval Officer Bond's resignation.

I will review current staffing with the Police Commission to determine their recommendation on replacement. The Police Department training officers have been steadily training new officers over the past three years and this will also provide a break to them from training new officers.

REQUESTED COUNCIL ACTION

Motion and approval to accept the resignation of Officer Bond.
