

TO: Mayor and City Council

FROM: Jed Petersen, Public Works Director

SUBJECT: John Burch Park Grants

MEETING DATE: Tuesday, June 18, 2024

BACKGROUND

With the renovation of John Burch Park wall and dugouts, the City of Cannon Falls and the JBP Supporters organization would like to apply for funding from multiple organizations. These funds would be used for outdoor park equipment such as picnic tables, benches, bike racks, trash receptacles, etc.

The grants will not require a cash match, however an in-kind match contribution from the city may be required. The in-kind contribution can be in the form of labor used for the installation and setup of the equipment.

REQUESTED COMMISSION ACTION

I respectfully request a motion to move forward with applying for grant funds for equipment at John Burch Park.
