

**TO: Mayor and City Council**

**FROM: Jed Petersen, Public Works Director**

**SUBJECT: Active Transportation Summit**

**MEETING DATE: Tuesday, June 18, 2024**

### **BACKGROUND**

The Cannon Falls Active Transportation Planning (ATP) Committee will be hosting an Active Transportation Summit on June 25-26. This summit will use information that is posted on the online mapping tool and feedback from summit attendees. The goal of the summit is to receive community feedback and identify areas of potential improvements to help facilitate walking and biking options around Cannon Falls.

The information gathered from the summit will be used to determine a MNDOT funded demonstration project. This project will then be implemented around the end of August first of September 2024.

Public works staff will attend the two-day summit and provide information from the public works operations and maintenance view point. Staff will also be part of the planning and implementation the final demonstration project.
