

**TO: Mayor and City Council**

**FROM: Jed Petersen, Public Works Director**

**SUBJECT: Drinking Fountain Repairs**

**MEETING DATE: Thursday, July 23, 2024**

**BACKGROUND**

This spring it was discovered that the drinking fountains at Achie Swenson, City parking lot, Veteran's Memorial, and East Side Park were connected to the irrigation lines.

Public works staff will remove the drinking fountain from the Veteran's memorial and reinstall it near the dog park with a new potable water service.

Public works staff will install a new ¾" potable water service line for the city parking lot drinking fountain.

**REQUESTED COUNCIL ACTION**

Motion and approval to move forward with the installation of the drinking fountain and water service near the dog park, and installation of a new water service line for the city parking lot drinking fountain.
