

TO: Mayor Montgomery and City Council

FROM: Jeffrey L. McCormick, Chief of Police

SUBJECT: 2025 Contracted Police Services Rate

DATE: November 22, 2024

BACKGROUND

The City Council approved a Police Department Policy addressing contracted police services in February 2020 and the rate is reviewed annually with the intent to cover all the City's cost of providing contracted police services.

Since the rates are known for 2025 already, I have calculated the 2025 costs. I am recommending that the rate be set at \$85.50 an hour for 2025. This would cover all the City's costs and like before an event that lasted longer than two hours or with more than one officer, the City is ahead of its administrative cost.

REQUESTED COUNCIL ACTION

Request a motion and approval to set the 2025 Contracted Police Service rate at \$85.50 per hour with a two hour minimum.
