

TO: Mayor and City Council

FROM: Jed Petersen, Public Works Director

SUBJECT: Purchase Pickup Truck and Boss Plow

MEETING DATE: Tuesday, February 18, 2025

BACKGROUND

As part of the public works streets and parks Capital Equipment Fund plan for 2025, the public works department seeks to acquire a new pickup truck equipped with a snowplow to enhance our fleet and ensure continued efficiency in maintaining city streets and parks during winter months.

The vehicles will be procured through state contract vendors:

- **Pickup Truck:** North Country GM, located in Hibbing, MN, is the State Contract Vendor for the pickup truck. The State Contract Price for a 2025 GMC Sierra 3500 4x4 pickup is \$48,550.
- **Snowplow:** Crysteel Truck Equipment, based in Fridley, MN, is the State Contract Vendor for the snowplow. The State Contract Price for a Boss V-XT 9'2" stainless steel snowplow is \$10,479.

The total cost for this package is \$59,029.

This purchase aligns with our commitment to maintaining high standards of service and operational readiness, particularly during the winter season. The use of state contract vendors ensures a competitive and fair price for these essential assets.

REQUESTED COUNCIL ACTION

I respectfully request a motion and approval of the Mayor and City Council to move forward with the purchase of a 3500-pickup truck for \$48,550 and a Boss plow for \$10,479, with funding from the Capital Equipment Fund.
