BACKGROUND

The City of Cannon Falls has historically performed striping of public streets, parking lots, curbs, and handicap stalls every two to three years to maintain safety and compliance with accessibility standards. Johnson Seal Coating has been the City's trusted contractor for over 20 years, consistently providing reliable and quality service.

As part of the regular maintenance cycle, it is time to undertake citywide striping operations. Johnson Seal Coating has submitted a proposal to perform the following services:

- Paint all handicap parking stalls

The proposed total cost for completing this work is **\$11,500**.

REQUESTED COUNCIL ACTION
